In order to satisfy the requirement under 37 C.F.R. §1.98(a)(3) for a concise explanation of the relevance of each item of information, applicant herewith notes with respect to any information that is not in English language as follows:

Reference C) describes a reusable cover for a wind instrument including an approximately trapezoidal base surface or a base surface widening approximately in a trumpet shape. The length of the base surface corresponds approximately to the length of the wind instrument. The cover also has a semicircular front surface with a straight bottom edge which at the same time forms a front edge of the trapezoidal or trumpet-shaped base surface.

Reference D describes a carrying bag made of flexible material and including a detachable inset of dimensionally stable material, with the walls of the bag being reinforced by the inset.

Reference E) describes a bag for a music instrument with a padding provided in at least one bad wall. Provided adjacent to the padding is a flexible layer of impact-resistant material.

The above-identified application discloses and claims an invention patentable over this prior art.

Entry of the references above set forth into the file of the above application
